# “IMAM”

By NATHANIEL D. MANN

This is the name of that weird and captivating melody that you hear all the bands and orchestras playing. It is a serenade two-step, quite easy to play and very catchy.

We herewith submit for your kind consideration some of our Instrumental Hits.

## “IMAM”

(a Mohammedan Serenade)

During certain ceremonies in the Mohammedan religion a high priest of an order was selected as Prince, or Potentate to serve the order and rule same. He was given supreme spiritual and temporal power, making his word the edict of Allah's decree. And during his lifetime he ruled with an iron hand hence the name "IMAM" meaning Power.
