P.T.A. song

Allen Spurr, talented young musician and composer of Los Angeles, has been blind from infancy.

Playing by request at a meeting of the Ramona Parent-Teacher Association, Alhambra, Cal. Mr. Spurr was so impressed with the aims and purposes back of the organization that he could not sleep until he had woven its motive spirit into words and music.

The thrilling rhythm and inspiring message of this song will carry powerful pull together vibrations in the ranks of the Parent - Teacher Associations the country over, and will add pep and enthusiasm to every meeting.

It will be instantly recognized as a real inspiration.
