ERON

Then You'll Know What It Means to Be Blue

By JOE McKIERNAN

Waltz moderato

When the world is fast a-sleep, Wrapped in dreams of love,
E - ven birds that romp and play, In the skies a - bove;

And the smil - ing sil - v'ry moon, Watch - es from a - bove;
Sing sweet songs of hap - pi - ness, To some one they love;

When the dream - er dreams his dreams, Dreams that can't come true;
Each one has his lit - tle mate, Just to love, it seems;

Lone - li - ness steals in his heart, Lone - li - ness for you.
Life to him is real and sweet, And not emp - ty dreams.

CHORUS

You don't know, what it means, to be lone - ly, You don't know, what it is to be
