# MARY You Must Marry Me

Waltz Song

Words & Music  
By ANITA OWEN

Slowly

*mf*

Waltz tempo

Ma-ry my dear, I want you near, Prom-ise that you will not leave me.  
I love your eyes, I love your sighs, I love your smile so be-guil-ling.

Sure-ly you know I love you so, Say that you nev-er will grieve me.  
You are so neat, Daint-y and sweet, I can't re-sist all your wil-ling.

I will be faith-ful kind and true, I'll do what-e'er you ask me to.  
Tho'you're heart-whole, and fan-cy free, I'll sure-ly make you care for me.

### Land of Dreams

Words & Music By ANITA OWEN

In the beau-ti-ful land of my dreams, All is hap-pi-ness

Copyright MCMXIX by The Jones Music Co. Gaiety Theatre Bldg.

"BEAUTIFUL LAND OF DREAMS"—Simplicity in melodic construction, sympathetic harmonies and words that belong and appeal, are the principles upon which *Miss Owen* has constructed this wonderful ballad, "*Beautiful Land of Dreams*." It is a *most spontaneous melody*, with no forced striving for effect, *simple to read and easy to play*, at the same time covering only the compass of one octave, and the words of a nature to bring out the most musical tones of the *singing voice*. To quote *Miss Owen*: "A song writer seldom receives more than one song inspiration of this kind during a life-time."—Doubtless it will become a popular classic and reach the home of every *music lover*. Look it over and be as enthusiastic as we are. *It will reach you—get you and haunt you.*

### "WANDER WITH ME TO LOVELAND"

Whenever a beautiful melody is coupled with a lyric that contains a true love sentiment, it is bound to become popular. "*Wander With Me To Loveland*" by that popular composer, *Anita Owen*, is a natural melody, with the satisfying harmony to be found in her "*Daisy*" songs. Only it is possessed of more character and in consequence will be more greatly appreciated by both singer and audience.

"TELL IT TO THE WORLD"—Another *Anita Owen* song and dance sensation. What is called in music publisher's parlance an "over night hit" which means that the morning after the night it was first sung, there was a big demand at all music stores for copies of the song. This is a *fox-trot* song, with a *striking melody*, that will set your feet dancing. The words containing a love sentiment different from the rest. *Miss Owen* is constantly introducing novelties that create enthusiasm.

"DON'T BE SAD" by *Anita Owen* is a most fascinating melody with sentimental words that fairly breathe optimism and good cheer. *You will love to sing it; you will love to dance by it.* We are not going to talk about it; for it will speak for itself. *You are bound to hear it, for it will live forever!*
